Happy Chinese New Year!

After two slow years, years that had us live more reclusive lives - 2022 will bring much change.

2022 is a year of great power and opportunity.

The Water Tiger year brings change.

First off, the water element is an element that is known for its flexibility, adaptability, activity, and power. The water element is also an element that is related to emotions.

What can we learn from the Water Element?

The Water Element asks you to be transparent, you can see your reflection in it.

Water is refreshing, we all need lots of it to be healthy this year, so hydrate well.

Harness the energy of water this year.

The Tiger

The Tiger is the most powerful Animal the roams the Earth in the Chinese Zodiac.

The Tiger moves with grace and focus. She knows when to wait and she knows when to act. She is protective and cautious. Do not overspend this year, manage your resources well.
